FESTIVAL ENTRY CONDITIONS AND INFORMATION – 2016

The Festival is open to all amateur performers. Amateur is defined as a person who does not derive their main income as a performer/teacher either as an instrumentalist or vocalist – students excluded.

AGE LIMIT: The participants' age as of 5th September 2016 shall be deemed to be the age of the entrant. **Solo performers may be expected to enter one age category only.** Any exceptions need to be discussed with the Coordinator.

ENTRY FORM: Only one entry per form. Entry fee payment is to be included. Cheques can be made payable to **Pilbara Music Festival Inc.** Complete your entry form in full. **ALL information requested, especially contact details and a copy of original music is required.** An incomplete entry is not the responsibility of the Committee and may be returned. Performers are reminded that they may not perform the same piece in more than one item. It is a condition of entry that performers in AMEB Grade items do not enter a piece of lower standard than required. Please refer to your AMEB syllabus for correct grades. AMEB (Australian Music Examinations Board) website: www.ameb.uwa.edu.au.

ENTRY LIMIT: A performer limit of **4 SOLOS** may be played or sung per instrument (voice being an instrument). The committee reserves the right to eliminate, amalgamate or create another section.

TIME LIMIT: The time allocated for each category (as per Schedule headings) is important for the smooth programming and running of the festival. Performers are to be exact as to the length of each item. Time limits set in the schedule are maximum time allowed and **MUST** be strictly adhered to. If your performance or CD backing exceeds the time limit please confer with the committee.

PROGRAMMING: Consideration may be given to specific timetabling requests but cannot be guaranteed. Performers will not be able to change their allocated performance time. There may be a missed performance opportunity at the end of each festival day but only if time permits.

ACCOMPANIST: An official accompanist should be available. Music for the accompanist is to be forwarded with entry. Any rehearsals are to be negotiated directly with the Coordinator on 0400 242 335.

MUSIC: Scores and original music script: It is the responsibility of all entrants of the Pilbara Music Festival to ensure that music used for a performance complies with copyright laws. **You must perform from an original copy of music.** Where the Festival Committee believes that copyright laws are being broken the music in question will not be allowed. A photocopy of your music (and CD copy if applicable) must be submitted with the entry form. This copy will be retained for the Adjudicator and then destroyed, in keeping with the Copyright Guidelines. After closing date music may not be changed. Music and Lyrics are to be suitable for family and public audience entertainment.

COPYRIGHT: As noted above, **performers are to use original music** and provide one photocopy to the committee for the adjudicator. Should there be a delay obtaining your original music, permission may be obtained from the Publishers to use a photocopy till the music arrives. For more information on music copyright contact A.M.C.O.S. on (02) 9935 7700 Fax: (02) 9935 7999. Website <http://www.amcos.com.au>

BACKING TRACKS: Backing tracks will be permitted for instrumental Jazz/Popular, Vocal Popular Song and Choir categories. A copy of the backing item is to be presented with entry form as either a CD or MP3. This copy will be destroyed post festival. Amplifier volume setting will be at the discretion of the Committee.

BAROQUE / CLASSICAL / ROMANTIC / 20th CENTURY: One Movement only. No repeats.

JAZZ STYLE / POPULAR: Performers are encouraged to embellish the harmonic, rhythmic and melodic bass of the tune, according to their taste.

OWN CHOICE: Refers to music chosen from any period, including: Medieval, Renaissance, Impressionists, Contemporary... (Music and Lyrics are to be suitable for family and public audience entertainment.)

MUSICAL THEATRE: Entertainment performance is required. Any song from a musical or light operetta is acceptable. Performers are to incorporate costume and may include simple choreography and dialogue into their performance. This class will be judged for its 'all round entertainment' value.

SCHOOL CHOIRS: Rehearsal with the Accompanist can be arranged. Where the Item states "Primary" or "Secondary", these are defined as "Primary" being up to school Year 6, "Secondary" being up to school Year 12.

CHORAL RECITATION: Clear diction & entertainment required. Dialogue is to be suitable for general audience and contain no inappropriate language or actions. Prose or verse is acceptable. Vocal choir harmony backgrounds are acceptable.
